Implementing a population health strategy through service line care continuums
By Keith Wiesenber. MBA, MHA, CMPE

MGMA Connection Plus, mgma.org/connection-plus
Dispelling myths, building leadership skills
Effective healthcare teams comprise administrative and medical leaders with complementary strengths, says Wayne Guerra, MD, MBA, physician entrepreneur, who will share advice on how to cultivate these dyads during the MGMA/AMA 2016 Collaborate in Practice Conference March 20-22 at The Broadmoor in Colorado Springs, Colo.

Body of Knowledge
The content topic areas in MGMA Connection magazine are derived from the Body of Knowledge (BOK) for Medical Practice Management. Six issues of MGMA Connection magazine feature a domain in the BOK. This issue highlights Patient-Centered Care.

Search mgma.org/bok for coverage of the BOK domains. From the home page, search by domain name to find articles, products and more.

To read past issues of MGMA Connection magazine, visit mgma.org/connection-plus.
