

2021 MGMA Compensation and Production Survey Change Notice

To report more granular data that meets your benchmarking needs, certain questions have been modified, added or removed from the 2021 MGMA Compensation and Production Survey. The following information summarizes these changes.

Survey Launch ***January 4, 2021***
Survey Close ***February 12, 2021***

If you have any questions about the updates listed in this Change Notice, please contact the Data Solutions Department at survey@mgma.com or **877.275.6462, ext. 1895**.

Please note: Questions that have been removed are not identified in this document.

Overall Change:

- MGMA has transitioned from using the term “Nonphysician Providers (NPPs)” to now using “Advanced Practice Providers (APPs)”. With this transition, we want to draw special attention to ensuring advance practice providers will include:
 - Physician assistants (PAs)
 - Nurse practitioners (NPs)
 - Advanced practice registered nurses (APRNs):
 - Certified nurse-midwives (CNMs)
 - Clinical nurse specialists (CNSs)
 - Clinical social workers (CSWs)
 - Certified registered nurse anesthetists (CRNAs)

Question Additions:

- **Practice Profile**
 - *If selected as a better-performing practice, would you like to be publicly recognized?
 - How many months has your practice offered telehealth services?
- **Provider Demographics**
 - Provider Performed Telehealth Services

- **Telehealth Information**

- Method by which the Provider was Compensated for Telehealth Services
