

MGMA18 | The Annual Conference Financial Disclosures

Event Date: Sept. 30 - Oct. 3, 2018

The Medical Group Management Association (MGMA) does not present clinical education. Nonetheless, MGMA understands the importance of ensuring independence (freedom from commercial bias), objectivity, balance, and scientific integrity in all educational activities. MGMA and the Postgraduate Institute for Medicine (PIM) has reviewed the financial disclosures of all instructors, planners, managers and other individuals who are in a position to control the content of this activity and found that there are no financial conflicts of interest to report at this time.
